

## Miss Muffet Pre-Primary Bakerman

### BAKERMAN

As part of the school curriculum, the children are required to learn the value of money. We introduce this concept to them in a fun way at school. Every Friday one child in the Class has a turn to be the Bakerman. The Bakerman sells biscuits or cookies, which he/she has made at home, to the rest of the class. You are encouraged to let your child help you prepare or pack the goodies as this also teaches them that the items are made by someone before they arrive in the shop.
